

## ***Feeling Crafty?***

***The Holidays are quickly  
approaching.....***

### ***IT'S TIME TO CREATE AN ORNAMENT AT HOME TO HANG IN THE SCHOOL!***

Each year Ottawa students bring in fun, unique ornaments that are hung throughout the school. We keep adding to our treasured collection each year so as you might imagine, we have a great assortment now.

The kids really enjoy seeing their own ornaments hung in the school hallways during the Holiday season. We even have older siblings that enjoy coming back to see their ornaments that were made when they attended Ottawa.

**If you would like to participate in this fun tradition, please have your child make an ornament at home and bring their ornament to the office. Their first name, date and grade should be on the ornament so they can find it in years to come.**

If you have any questions, please call the office at 348-2130
